

Dear colleague,

I would like to invite you to an exclusive client-only demonstration of eiu.com, where we will talk you through best practices for navigating the site. Following the success of the recent overview session we held on The EIU's products and services, we have been requested to hold a further session specifically demoing eiu.com and the key features. I thought this may be of interest to you and your colleagues.

I will be joined on the call by our industry expert: [Fung Siu](#) and there will also be an opportunity for you to ask questions at the end of the session.

This is a brief 30 minute call, which will cover:

- **eiu.com:** overview, new features, review best practices
- **Country homepage**
- **Country Reports**
- **Questions and answers**

If you wish to participate, you can [register here](#)

Yours sincerely,

Kevin
